WORK EXPERIENCE

Software Development (Mentorship Program)

Online Program

Program Trainee

Aug 2024 - Present

- Successfully completed mentorship application and structured mentorship program focused on core software development principles.
- Trained 1-on-1 by an experienced mentor in full stack development and developed skills in problem-solving, version control, and full stack development using tools like JavaScript, HTML, CSS, React, Node.js, Express, and Prisma.
- Collaborated with mentor through guided projects, code reviews, and weekly feedback sessions to build strong foundational knowledge.

Crown Regency Hotel

Makati City, Metro Manila Philippines

Hotel Operations Assistant

Feb 2024 - Apr 2024

- Managed multiple customers while maintaining a high standard of customer service, ensuring clear communication and accurate service.
- Demonstrated flexibility by covering shifts in multiple departments, adapting to different roles and responsibilities as required.

CTS Travel Recommends

McKinley Business Park Bonifacio Global City, Taguig, Philippines

Operation Assistant

Oct 2023 - - Dec 2023

- Guided clients through form completion and documentation processes for new device requests, ensuring all submissions met compliance standards and processing timelines.
- Maintained accurate logs of issued and returned devices to support inventory tracking and audit readiness, helping the team stay organized and prepared for reviews.
